Comments: missed a lot of classes & couldn't find the time to revise.				

Please write a few lines about your teaching experience with us. You can write about the materials, dynamic of the classes and an overall impression about the teacher.

The classes had a nice mixture of speaking/reading/writing/listening exercises. It's nice to have different types of materials as well (powerpoint / flash cards / games / whiteboard etc) I like the fact that you explain new words in a funny way, which makes it easier to remember them.
