Please take a few minutes to write some lines about your learning experience at International House Newcastle. You can write about: the organization and dynamic of the classes, methodology, quality of the academic program and overall impression about the teacheryour comments will help us improve.

-Great course, and my level is improving. I think some of the other students have problems understanding some of the Spanish grammar presentations but for me it is very useful. Using 'Edmodo' was particularly useful this term to receive and keep electronic based documents instead of paper-based materials. It also motivated me to complete the homework tasks despite other commitments outside of class. The corrections/comments on the homework was great too.
