Raul is a vibrant & strong teacher - he has a v. good skill in pulling out the best in students & pushing their abilities. I do feel that sometimes the speed of a class is a little fast & maybe some revision could be built into each class? I like the fact that the whole class is in Spanish - it really pushes you. A friendly & inclusive feel. The online resource Edmodo is v. useful, but a little confusing - it would be good if it was organized by weeks.
